ChatGPT is making big changes in the world. Your company is also trying to find new ways to use it. When people use this app, they can save time and work better. If you own a company, how can you use ChatGPT to make more people interested in what you sell or do? Write a memo of about 100 to 120 words in English. In the memo, be sure to state the problem your company is facing, the cause of the problem, and what you will do in the future.
